The Charleston County School District provides certain musical instruments. A non-refundable **\$100 per school year** instrument maintenance fee is charged to maintain the normal wear and use of this instrument for the school year. Students who use multiple instruments in the normal course of instruction will pay a single fee. Payment of this fee may be made by cash or check. Make checks payable to Charleston County School District.

Parents agree to return the instrument to the director at the end of the semester or academic year, or upon director request, in the same condition it was issued to the student, less reasonable wear. The maintenance fee does not cover damage or loss. Damage beyond normal wear or loss of the instrument case while in the student's possession becomes the responsibility of the parents to pay for repairs or replacement. If damaged, you may get an estimate for repair from one of the recommended local music vendors. If you choose not to obtain a repair estimate, the district will have the instrument and case inspected and assess a fee for repairs. For instruments lost or damaged beyond repair, replacement cost will equal current market value minus depreciation but no less than 20% of current market value.

If the instrument is to be taken home, the Charleston County School District encourages parents to cover these instruments on their homeowners' insurance policy if possible.
